

# Lockdown

(CHORUS INSTRUMENTAL )

Allright stop, collaborate and listen,  
We are back with a brand new invention,  
Family, grabs a hold of me tightly,  
Lockdown daily and nightly.

Will it ever stop? Yes it will,  
In the meantime, I'll learn a new skill,  
Baking, creating, planting and writing,  
It's gonna be really exciting.

DANCE! Put on the tunes,  
It keeps me active so I don't feel gloom,  
SINGING, when I sing a good song,  
All my negative thoughts are gone.

Love it or hate, homeschooling,  
Earlyrising, work is rolling,  
If there's a problem,  
Yeah, I'll solve it,  
If I'm stuck, we'll resolve it.

Online quizzes are jumping,  
Timestable rockstars are pumping,  
Quick to the point, to the point - no cheating,  
Keep practising, I'm succeeding.

NUMBERBOTS, my maths is improving,  
I'm on a roll, I'm blooming.  
COOKING, I can't stop eating,  
I better stop; I've got a meeting,

FRIENDS, I miss them dearly,  
I miss it when we get all silly,  
I see them on the street,  
And wave to say hi,  
Keep at distance and walk on by.

Keep on going each day,  
Some days I just want to play,  
But that's fine,  
We have...plenty... of time.

When it's sunny, I enjoy the sunshine,  
And you'll find me...offline!  
Waterfights to cool me down,  
I'll be outside until sundown.

MACCAS, I'm dreaming for a Big Mac,  
I wonder when it'll be back,  
Learnt a new...foreign language,  
This is all to my advantage.

NATURE, I watch the flowers sprout,  
Gardening as I can't go out,  
SKILLS, I've learnt lots of those,  
I'm now an artist as it goes,

THURSDAYS, clap for keyworkers,  
They've earned it, they're survivors,  
Don't forget about the children,  
They're homeschool...learners.

(CHORUS INSTRUMENTAL)

READING! It's important for me,  
I'll be doing this until we're free,  
CUDDLES, I can't for them,

To hug my family and my friends,

SOON, this will all be over,

I'll be out of this enclosure,

Put down my xbox controller.

THEN, we'll be back to school,

But first, let's make one rule,

When we're back together,

We'll appreciate...seeing faces at the school gate!
