

Art

We are going to be painting a Roman scene. This could be Hadrian's wall, or any other Roman building in Britain. Please paint a background and let it dry, adding the Roman building on top. Search the internet for the picture that you want to do.

If you have watercolour paint, please use this. If not use whatever you have available- poster paint/ pencils/ felt tips/ crayons. Remember background first please.

Please send in your artwork and remember to sign it!

Computing

<https://turtleacademy.com/lessons>

In turtle academy there are lessons that you can follow to get the turtle to do things. Try out lessons 1-5. Can you make a circle, lift your pen, write your name in different places on the screen? Once you have completed the lessons try out your new skills in the playground area.

Tell us how you have done.

PE - Ongoing

Please continue to join in with any on-line activities you are involved with.

This half term we will be looking at increasing our fitness. There will be a new activity each week. Each week add the new activity to the activities you have already learnt, this will allow you to try and improve your fitness levels over the coming weeks.

Shuttle runs- place objects at equal distances across your floor/garden. A shuttle is run and touch the 1st object and back to the beginning. Then go to the 2nd object then back to the beginning...3rd object. Record how many you can do in 30 seconds. Do this once a day if you like. Do you get quicker across the week?
