Focus: Week 1 History (Ancient Greeks)

Task 1 and Task 2

Welcome to our new topic on Ancient Greece. You might already know a bit about the country of Greece but what do you know about Ancient Greece? When was the ancient Greek civilisation?

Look at the timeline on the slides and go through the information on BC and AD.

How does Ancient Greece compare to other time periods that we have studied (Vikings, Victorians, World War 1) ?

Have you been on holiday to Greece and if so, what was it like? Where is it on the map?

Once you have gone through the slides, give the activity a go that is found on the last slide. See what new information you can find out about the country of Greece.

Task 3 and Task 4

As you can imagine, life has changed drastically over the time periods that we have studied.

Can you imagine what it would have like to be a child during Ancient Greek? Do you think it would have been harder or easier than it is now? What about being a woman?

Have a look at the slides from Number 9 to see what your task is. We look forward to seeing what you create!

Task 5

Your next task is learn the difference between Athens and Sparta. These two cities were completely different from each other in the way they lived and what they believed.

Go through the powerpoint and watch the video in the slides to help your understanding of what it would be like to be a boy or girl in either Athens or Sparta.

Your task is explained at the end of the slides.
