

Intent:

At Abacus Primary School we want children in MFL (French) to become interculturally competent, to participate in a rapidly changing world and to feel confident in speaking another language. We want our children to be able to speak and write in a foreign language by learning together and from each other through the use of dialogue. We aim for pupils to enjoy and engage in learning a foreign language, to eventually becoming creative using the skills they have learnt.

We help them to achieve this by teaching through the use of songs, rhymes, drama, and using Kagan Structure learning styles that require the children to in engage in conversation and to be attentive listeners. We also provide the children with an independent choice to attend Spanish Club where they can broaden their knowledge of another language. They can then use these skills independently out of school and when travelling overseas.
